Dear Sheriff/Police Chief:

The specific purpose of this letter is to provide you with information and guidance regarding the Law Enforcement Terrorism Prevention Program. For federal FY 04, the Office of Domestic Preparedness (ODP) has provided the State of Missouri with grant funds for the program mentioned above. The fund allocation is as follows:

Local Law Enforcement Agencies = \$7,645,000

Through deliberate coordination with the Missouri Sheriffs Association, the Missouri Police Chiefs Association, the Missouri Department of Public Safety including guidance from the Governor's Security Council, we have developed a process to distribute these resources to local law enforcement activities.

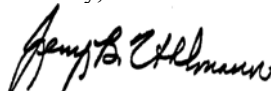

The process/procedure is as follows:

- 1) For each officer assigned to your department, a central purchase and issue will be made for the following items:
 - a) Camel back water system (one per officer/deputy).
 - b) AV-2000 voice amplifiers (one per officer/deputy).
 - c) Boots to complete the LEA Ensemble (1 pair per officer/deputy).
- 2) Night Scopes for Local Law Enforcement Agencies.
 - a) 1 scope for Departments of 10 or less officers/deputies.
 - b) 2 scopes for Departments of 11 or more officers/deputies.
- 3) The procedure for the items above, is as follows:
 - a) SEMA will place a bulk order for the four items listed.
 - b) The shipment will be to the MO Police Chiefs Charitable Foundation warehouse at 1001 High Street, Jefferson City, MO.
 - c) The Charitable Foundation will distribute the items to each police agency and sheriffs department.
 - d) Police Chiefs and Sheriffs are requested to sign the attached agreement of understanding that authorizes SEMA to purchase the equipment listed in Paragraph 1 and 2 above. Signed agreements must be received by SEMA by April 30, 2004. Failure to sign the Memorandum of Understanding (MOU) will prevent your department from participating in the purchase of these items. To receive Grant Funding your department must submit an application to compete for any remaining Grant Funds.

- e) Each Police and Sheriffs Department receiving the above items, distributed by the Police Chiefs Charitable Foundation, must sign a document allowing the State to expend funds for this purpose.
 - i. The cost of the items in Paragraph 1 is estimated to be \$350.
 - ii. The cost of the item in Paragraph 2 is an estimated to be \$500 for each scope.
- f) In addition to the items above Police and Sheriffs Departments are afforded the opportunity to apply on a competitive nature for other items included in the over all guidance for the law enforcement terrorism prevention program guidance is on the SEMA website at sema.dps.mo.gov. A copy of the application is attached. If you cannot access the website, please contact Ricky Presberry at (573) 526-9223.
- g) The procedure for the above is as follows:
- h) Police and Sheriffs Departments are requested to complete the enclosed application listing their needs with submission directly to SEMA by April 30, 2004.
- i) These requests will be reviewed by an appropriate group of Law Enforcement Representatives.
- j) All requests will eventually be submitted to the Office of Domestic Preparedness for final approval.
